SEACHANGE INTERNATIONAL ANNOUNCES STOCK BUYBACK PROGRAM

ACTON, Mass. (Feb. 19, 2008)—SeaChange International, Inc. (NASDAQ: SEAC), a leading provider of software and hardware solutions for video-on-demand television, announced today that its Board of Directors has authorized the repurchase of up to \$20 million of its common stock through a share repurchase program. This action will permit SeaChange to begin repurchasing shares of its common stock as market and business conditions warrant following its fiscal 2008 fourth quarter earnings release scheduled for March 13. The timing and exact number of shares purchased will be at the Company's discretion. All repurchases, which are expected to be funded from the Company's current cash and investments balance in excess of \$80 million, may occur in open market, negotiated or block transactions. The Company does not intend to repurchase any shares from its management team or other insiders.

SeaChange may enter into Rule 10b5-1 plans to facilitate repurchases under the program. A Rule 10b5-1 plan would generally permit SeaChange to repurchase shares at times when it might otherwise be prevented from doing so under certain securities laws. This stock repurchase program does not obligate the Company to acquire any specific number of shares and may be suspended or discontinued at any time. Repurchased shares would be returned to the status of authorized but un-issued shares of common stock.
