PROSPECTUS

1,732,665 Shares of Common Stock

We have prepared this prospectus to allow certain stockholders or their pledgees, donees, transferees, or other successors in interest, to sell from time to time up to 1,732,665 shares of our common stock. Any such stockholders are referred to in this prospectus as the "selling stockholders." The selling stockholders have acquired or will acquire such shares in connection with our acquisition of TLL, completed on February 2, 2015, pursuant to an Agreement and Plan of Merger, dated as of December 22, 2014 (the "Merger Agreement"), by and among us, TLL and the other parties thereto.

We are registering the shares issued in the acquisition as required by the Merger Agreement, but the registration of the shares does not necessarily mean that any of such shares will be offered or sold by the selling stockholders. We are not selling any common stock under this prospectus and will not receive any of the proceeds from the sale of shares by the selling stockholders.

The selling stockholders may sell the shares of common stock described in this prospectus in a number of different ways and at varying prices. We provide more information about how the selling stockholders may sell their shares of common stock in the section entitled "Plan of Distribution" on page 7. We will not be paying any underwriting discounts or commissions in this offering.

Our common stock is traded on the Nasdaq Global Select Market under the symbol "SEAC." On January 29, 2015, the last reported sales price of our common stock on the Nasdaq Global Select Market was \$7.26 per share.

Investing in our securities involves a high degree of risk. You should review carefully the risks and uncertainties described under the heading "[Risk Factors](#)" beginning on page 4 of this prospectus, and under similar headings in the other documents that are incorporated by reference into this prospectus.

SELLING STOCKHOLDERS

The selling stockholders have acquired or will acquire the shares covered by this prospectus from us in connection with our acquisition of TLL, LLC pursuant the Agreement and Plan of Merger, dated as of December 22, 2014 (“the Merger Agreement”).

Pursuant to the Merger Agreement, we agreed to file a registration statement, of which this prospectus is a part, with the SEC to register the resale by the selling stockholders of shares issued to the selling stockholders pursuant to the Merger Agreement, and to use commercially reasonable efforts to keep the registration statement effective until the one year anniversary of the final delivery of any earnout consideration pursuant to the Merger Agreement or such earlier time as all of our shares issued pursuant to the Merger Agreement have been sold pursuant hereto or are freely tradable, without restriction, pursuant to Rule 144 promulgated under the Securities Act of 1933, as amended, (the “Securities Act”) and it has finally been determined that no further earnout consideration is due pursuant to the Merger Agreement. The issuance of the shares of our common stock in connection with the Merger Agreement has not been registered under the Securities Act in reliance upon the exemptions from registration provided by Section 4(a)(2) of the Securities Act, as the transactions did not involve any public offering.

The following table sets forth:

- the name of each of the selling stockholders;
- the number of shares of our common stock owned by each such selling stockholder prior to the offering;
- the percentage (if one percent or more) of common stock owned by each such selling stockholder prior to the offering;
- the number of shares of our common stock being offered pursuant to this prospectus;
- the number of shares of our common stock to be owned upon completion of the offering, assuming all such shares are sold;

Table of Contents

- the percentage (if one percent or more) of common stock owned by each such selling stockholder after the offering, assuming all such shares are sold; and
- if applicable, a description of the material relationship such selling stockholder has with us.

This table is prepared based on information supplied to us by the selling stockholders. The number of shares in the column “Number of Shares Being Offered” represents all of the shares that a selling stockholder may offer under this prospectus. Each selling stockholder may sell some, all or none of his, her or its shares. The selling stockholders may sell or transfer all or a portion of their shares of our common stock pursuant to an available exemption from the registration requirements of the Securities Act. We do not know how long the selling stockholders will hold the shares before selling them, and we currently have no agreements, arrangements or understandings with the selling stockholders regarding the sale of any of the shares, other than selling stockholders who are employees or directors of us and, as such, are subject to our insider trading policy. To our knowledge, except as otherwise disclosed herein, each of the selling stockholders has sole voting and investment power over the common stock listed in the table below.

Beneficial ownership is determined in accordance with Rule 13d-3(d) promulgated by the SEC under the Exchange Act. The percentage of shares beneficially owned prior to the offering is based on 32,654,070 shares of our common stock outstanding as of January 29, 2015, including the shares of our common stock issued or issuable to the selling stockholders.

- (1) Assumes that all of the shares acquired or that may be acquired by the selling stockholders under the Merger Agreement and that have been retained as security for indemnification claims are ultimately released to the selling stockholders, and that the selling stockholders acquire no additional shares of common stock before the completion of this offering, other than pursuant to the Merger Agreement. However, as the selling stockholders can offer all, some, or none of their common stock, no definitive estimate can be given as to the number of shares that the selling stockholders will ultimately offer or sell under this prospectus.

PLAN OF DISTRIBUTION

We are registering the shares of common stock issued to the selling stockholders to permit the resale of these shares of common stock by the holders of the shares of common stock from time to time after the date of this prospectus. We will not receive any of the proceeds from the sale by the selling stockholders of the shares of common stock. We will bear all fees and expenses incident to our obligation to register the shares of common stock.

Each selling stockholder of the common stock and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their shares of common stock covered hereby on Nasdaq Global Select Market or any other stock exchange, market or trading facility on which the shares are traded or in private transactions. These sales may be at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or negotiated prices. A selling stockholder may use any one or more of the following methods when selling shares:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales entered into after the effective date of the registration statement of which this prospectus is a part;
- in transactions through broker-dealers that agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- gifts to charitable organizations, who may in turn sell such shares in accordance with the methods described herein;

Table of Contents

- a combination of any such methods of sale; or
- any other method permitted pursuant to applicable law.

The selling stockholders may also sell shares under Rule 144 of the Securities Act, if available, rather than under this prospectus.

Broker-dealers engaged by the selling stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling stockholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated, but, except as set forth in a supplement to this prospectus, in the case of an agency transaction not in excess of a customary brokerage commission in compliance with FINRA Rule 2440; and in the case of a principal transaction a markup or markdown in compliance with FINRA IM-2440-1.

In connection with the sale of the common stock or interests therein, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The selling stockholders may also sell shares of the common stock short and deliver these securities to close out their short positions or to return borrowed shares in connection with such short sales, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or create one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). Notwithstanding the foregoing, the selling stockholders have been advised that they may not use shares registered on this registration statement to cover short sales of our common stock made prior to the date the registration statement, of which this prospectus forms a part, has been declared effective by the Commission.

The selling stockholders and any broker-dealers or agents that are involved in selling the shares may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Selling stockholders who are “underwriters” within the meaning of Section 2(a)(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory liabilities of, including but not limited to, Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Exchange Act.

We are required to pay certain fees and expenses incurred by us incident to the registration of the shares.

The selling stockholders will be subject to the prospectus delivery requirements of the Securities Act, including requirements under Rule 172, unless an exemption therefrom is available.

The selling stockholders have advised us that there is no underwriter or coordinating broker acting in connection with the proposed sale of the resale shares by the selling stockholders.

We agreed to use commercially reasonable efforts to keep this prospectus effective until the one year anniversary of the final delivery of any earnout consideration pursuant to the Merger Agreement or such earlier time as all of our shares issued pursuant to the Merger Agreement have been sold pursuant hereto or are freely tradable, without restriction, pursuant to Rule 144 promulgated under the Securities Act and it has finally been determined that no further earnout consideration is due pursuant to the Merger Agreement. The resale shares will be sold only through registered or licensed brokers or dealers if required under applicable securities laws. In addition, in certain jurisdictions, the resale shares of our common stock covered hereby may not be sold unless they have been registered or qualified for sale in the applicable jurisdiction or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale shares may not simultaneously engage in market making activities with respect to the common stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the selling stockholders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of shares of the common stock by the selling stockholders or any other person. We will make copies of this prospectus available to the selling stockholders and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 of the Securities Act).

Table of Contents

There can be no assurance that any selling stockholder will sell any or all of the shares of common stock registered pursuant to the registration statement, of which this prospectus forms a part.

Once sold under the registration statement, of which this prospectus forms a part, the shares of common stock will be freely tradable in the hands of persons other than our affiliates.

Item 15. Indemnification of Officers and Directors

We are incorporated under the laws of the State of Delaware. Section 102 of the Delaware General Corporation Law, or DGCL, permits a corporation to eliminate the personal liability of directors of a corporation to the corporation or its stockholders for monetary damages for a breach of fiduciary duty as a director, except where the director breached his duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit.

Section 145 of the DGCL provides that a corporation has the power to indemnify a director, officer, employee or agent of the corporation and certain other persons serving at the request of the corporation in related capacities against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlements actually and reasonably incurred by the person in connection with an action, suit or proceeding to which he is or is threatened to be made a party by reason of such position, if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, in any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful, except that, in the case of actions brought by or in the right of the corporation, no indemnification shall be made with respect to any claim, issue or matter as to

which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or other adjudicating court determines that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

As permitted by the DGCL, our amended and restated certificate of incorporation provides for indemnification of our directors and officers. In general, directors and officers are indemnified with respect to actions taken in good faith in a manner reasonably believed to be in, or not opposed to, the best interests of SeaChange, and with respect to any criminal action or proceeding, actions that the indemnitee had no reasonable cause to believe were unlawful. We refer you to our amended and restated certificate of incorporation filed as Exhibit 3.3 to our Registration Statement on Form S-1 filed with the SEC on November 4, 1996 (File No. 333-12233) and the amendment thereto filed as Exhibit 4.1 to our Quarterly Report on Form 10-Q filed with the SEC on December 15, 2000 (File No. 000-21393).

We have entered into agreements with our directors and certain of our officers that require us to indemnify them against expenses, judgments, fines, settlements and other amounts that any such person becomes legally obligated to pay (including with respect to a derivative action) in connection with any proceeding, whether actual or threatened, to which such person may be made a party by reason of the fact that such person is or was a director or officer of our company or any of our affiliates, provided such person acted in good faith and in a manner such person reasonably believed to be in, or not opposed to, our best interests. The indemnification agreements also set forth certain procedures that will apply in the event of a claim for indemnification thereunder.

We maintain a directors' and officers' liability insurance policy. The policy insures directors and officers against unindemnified losses arising from certain wrongful acts in their capacities as directors and officers and reimburses us for those losses for which we have lawfully indemnified the directors and officers. The policy contains various exclusions.

The indemnification provisions noted above may be sufficiently broad to permit indemnification of our officers and directors for liabilities arising under the Securities Act of 1933, as amended.

Item 17. Undertakings

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that the undertakings set forth in paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statements or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

Re: Registration Statement on Form S-3 of SeaChange International, Inc., a Delaware corporation (the "Company")

Dear Sir or Madam:

Reference is made to the above-captioned Registration Statement on Form S-3 (the "Registration Statement") filed by the Company on the date hereof with the Securities and Exchange Commission under the Securities Act of 1933, as amended, relating to the resale of an aggregate of 1,732,665 shares of common stock, par value \$.01 per share, of the Company (the "Shares") by certain stockholders of the Company. The Shares have been issued or are issuable pursuant to the terms of that certain Agreement and Plan of Merger, dated as of December 22, 2014 (the "Merger Agreement"), by and among the Company, TLL, LLC and the other parties set forth on the signature pages thereto, a copy of which Merger Agreement has been filed by the Company with the Securities and Exchange Commission on December 22, 2014 on a Current Report on Form 8-K.

We have examined, and are familiar with, and have relied as to factual matters solely upon, a copy of the Merger Agreement, the Company's amended and restated certificate of incorporation, as amended, the amended and restated by-laws of the Company, the minute books and stock records of the Company and originals of such other documents, certificates and proceedings as we have deemed necessary for the purpose of rendering this opinion.

Based on the foregoing, we are of the opinion that the Shares have been duly authorized and, to the extent outstanding as of the date hereof, are legally issued, fully paid and nonassessable or, when issued pursuant to and in accordance with the terms of the Merger Agreement, will be legally issued, fully paid and nonassessable.

This opinion is limited to the Delaware General Corporation Law (which includes applicable provisions of the Delaware Constitution and reported judicial decisions interpreting the Delaware General Corporation Law and the Delaware Constitution) and the laws of The Commonwealth of Massachusetts, and we render no opinion with respect to the laws of any other jurisdiction.

We hereby consent to the filing of this opinion as Exhibit 5.1 to the Registration Statement and to the use of our name in the Registration Statement under the caption "Legal Matters" in the prospectus included as a part thereof. In giving this consent, we do not admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act of 1933, as amended, or the rules and regulations of the Securities and Exchange Commission thereunder.

Very truly yours,

/s/ Choate, Hall & Stewart LLP
