2015 Employee Stock Purchase Plan

On July 15, 2015, the stockholders of SeaChange approved the SeaChange 2015 Employee Stock Purchase Plan (the “2015 Plan”). By approving the 2015 Plan, the stockholders approved 1,150,000 shares of SeaChange’s common stock as the number of shares authorized for issuance under the 2015 Plan.

All employees of SeaChange or any of its participating subsidiaries whose customary employment is more than twenty (20) hours per week are eligible to participate in the 2015 Plan. Employees who own (or are deemed to own through attribution) five percent (5%) or more of the combined voting power or value of all classes of SeaChange stock or the stock of one of SeaChange’s subsidiaries are not allowed to participate in the 2015 Plan.

Employees will enroll under the 2015 Plan by completing a payroll deduction authorization form permitting the deduction of at least one percent (1%) but not more than fifteen percent (15%) from their compensation. However, in no case may a participant subscribe for more than 2,500 shares of common stock during any offering period or \$25,000 of fair market value of common stock during any calendar year.

Under the 2015 Plan, participants will be offered the option to purchase shares of SeaChange common stock at a discount on the exercise date for each offering period. Offering periods under the 2015 Plan typically commence on October 1 and April 1 and end on March 31 and September 30, respectively, with this last trading day being the exercise date for the offering period. The first offering period under the 2015 Plan will commence October 1, 2015.

The option purchase price will be eighty-five percent (85%) of the average market price of SeaChange’s common stock on the exercise date as reported on Nasdaq, but no less than par value.

SeaChange’s Compensation Committee, as the Board committee administering the 2015 Plan, will have the sole and absolute discretion to impose a minimum holding period on stock purchased under the 2015 Plan, during which each participant’s right to transfer or otherwise dispose of such shares will be restricted for the specified period of time. The minimum holding period may not exceed twelve months, and the current minimum holding period is twelve months. The minimum holding period shall be waived if a participant’s employment is terminated without cause or due to death or disability of the participant. The Compensation Committee may waive the minimum holding period on a case-by-case basis if the Compensation Committee determines that a participant has suffered financial hardship.

For a description of the material features of the 2015 Plan, please refer to SeaChange’s Definitive Proxy Statement on Schedule 14A for the Annual Meeting of the Stockholders held on July 15, 2015, a copy of which was filed with the Securities and Exchange Commission on May 22, 2015 (File No. 000-21393) and is incorporated herein by reference.

**SEACHANGE ANNOUNCES ELECTION OF NEW
CHAIRMAN OF THE BOARD AND CTO ROLE TRANSITION**

ACTON, Mass. (July 17, 2015) – Multiscreen innovator [SeaChange International, Inc.](#) (NASDAQ: SEAC) today announced the election of Steve Craddock to Chairman of the Board of Directors, effective July 15, 2015. He replaces former chairman Tom Olson, who continues as a member of the board.

Mr. Craddock joined SeaChange’s board in 2012. He is president of The Del Ray Group, an independent consulting firm. Previously, Craddock was with Comcast, last serving as Senior Vice President of Technology, and was Vice President for Bell Atlantic, focused on television and broadband initiatives.

Separately, SeaChange announced that Shiva Patibanda, Chief Technology Officer and General Manager of In-Home products, has resigned. Mr. Patibanda was responsible for the development of the SeaChange Nucleus video gateway software, which has been launched in cable television subscriber homes in multiple countries. His responsibilities will transition to other members of the management team. SeaChange does not intend to fill the CTO role in the near term.

“I’m pleased to have Steve in the role of Chairman. With his history in television operations, he’ll provide guidance that will help us to deliver new opportunities for our customers,” said SeaChange CEO Jay Samit. “SeaChange is extremely grateful for Tom’s long-term board leadership and contributions to our strategy and successes. I look forward to our ongoing collaboration.”

Samit continued, “We also appreciate Shiva’s accomplishments. Now that Nucleus is deployed commercially and on a trajectory for new markets, it’s the right time for Shiva to turn his focus to family and other interests. We have a strong management team dedicated to delivering on our exciting product roadmap and I’m confident in their ability to execute on our Nucleus design wins.”
