Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(a) Resignation of Director

On February 24, 2019, Edward Terino resigned as the chief executive officer and as a member of the Board of Directors (the “**Board**”) of SeaChange International, Inc. (the “**Company**”), effective immediately. At the time of his resignation, Mr. Terino did not serve on any committees of the Board. A copy of the resignation letter is filed herewith as Exhibit 17.1 (the “**Resignation Letter**”), and the description of the Resignation Letter contained herein is qualified in its entirety by reference to the full text of the Resignation Letter.

The resignation by Mr. Terino occurs within the context of the Company engaging in discussions with certain of its stockholders with respect to board composition, including TAR Holdings LLC (“**TAR**”) and Neuberger Berman Group LLC, each of whom has recently filed a Schedule 13D with the Securities and Exchange Commission (“**SEC**”). These discussions have included negotiations which are in advanced stages relating to a customary settlement or cooperation agreement with TAR, the Company’s largest stockholder, whose most recent filing with the SEC discloses ownership of 5,111,629 shares or 14.3% of the Company’s issued and outstanding capital stock. As disclosed in the Resignation Letter, Mr. Terino does not support a proposed cooperation agreement with TAR and Mr. Terino states that he believes the Board has not been acting in the best interest of all stockholders related to Board composition and the recent discussions with stockholders who have filed a Schedule 13D with the SEC and requested Board representation.

The Board strongly rejects the assertions made by Mr. Terino in the Resignation Letter and the characterization by Mr. Terino of the Board’s actions. Contrary to Mr. Terino’s claims, the Company believes that it has taken actions, including with respect to its engagement with existing stockholders, that are in the best interest of all of its stockholders, with a particular focus on enhancing stockholder value, and that may include the Company entering into a customary cooperation agreement with the Company’s largest stockholder.

Important Additional Information and Where to Find It

The Company, its directors and certain of its executive officers and employees may be deemed to be participants in the solicitation of proxies from stockholders in connection with the Company’s 2019 annual meeting of stockholders (the “**2019 Annual Meeting**”). The Company plans to file a proxy statement with the SEC in connection with the solicitation of proxies for the 2019 Annual Meeting (the “**2019 Proxy Statement**”), together with a WHITE proxy card. STOCKHOLDERS ARE URGED TO READ THE 2019 PROXY STATEMENT (INCLUDING ANY AMENDMENTS OR SUPPLEMENTS THERETO) AND ANY OTHER RELEVANT DOCUMENTS THAT THE COMPANY WILL FILE WITH THE SEC CAREFULLY AND IN THEIR ENTIRETY WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION. Additional information regarding the identity of these potential participants, none of whom owns in excess of 1 percent of the Company’s outstanding shares of common stock, and their direct or indirect interests, by security holdings or otherwise, will be set forth in the 2019 Proxy Statement and other

materials to be filed with the SEC in connection with the 2019 Annual Meeting. Information relating to the foregoing can also be found in the Company's definitive proxy statement for its 2018 annual meeting of stockholders (the "**2018 Proxy Statement**"), filed with the SEC on May 25, 2018. To the extent holdings of the Company's securities by such potential participants (or the identity of such participants) have changed since the information printed in the 2018 Proxy Statement, such information has been or will be reflected on Statements of Change in Ownership on Forms 3 and 4 filed with the SEC.

Stockholders will be able to obtain, free of charge, copies of the 2019 Proxy Statement, any amendments or supplements thereto and any other documents (including the WHITE proxy card) when filed by the Company with the SEC in connection with the 2019 Annual Meeting at the SEC's website (<http://www.sec.gov>), at the Company's website (<http://www.seachange.com>) or by contacting the Company at 50 Nagog Park, Acton, MA 01720, Attention: General Counsel.

Chairman

Dated: February 26, 2019

February 24, 2019

Mr. William Markey
Chairman of the Board
SeaChange International, Inc.
50 Nagog Park
Acton, MA 01720

Dear William:

It is with great frustration that I must resign my positions as a Director and CEO of SeaChange International, Inc. (SeaChange) effective immediately.

I believe that the Board of Directors is not acting in the best interest of all shareholders related to Board composition and the recent discussions with shareholders who have filed Form 13D's and requested Board representation.

With respect to Board composition and Form 13D filers, I do not support the proposed Cooperation Agreement with Karen Singer and TAR Holdings LLC, because it is not in the best interest of all shareholders for the following reasons:

- While the proposed Cooperation Agreement is very close to being finalized, to my knowledge, the proposed Cooperation Agreement has not been vetted with other major shareholders. While Karen Singer and TAR Holdings LLC own approximately 15% of SeaChange's outstanding shares, there are 5 shareholders who own approximately 5% or more of SeaChange's outstanding shares as of December 31, 2018. In conversations with these shareholders, they have requested engagement with the Form 13D filers and asked to be advised prior to any Board recomposition.
- The Cooperation Agreement does not fully take into consideration the requests of another longer-term shareholder (Neuberger Berman) who also requested Board representation through their Form 13D filing. While Neuberger has recommended director nominees to the SeaChange Board, the SeaChange Board has not interviewed any of the Neuberger Berman nominees, yet multiple director nominees recommended by Karen Singer and TAR Holdings LLC have been interviewed.
- The terms of the proposed Cooperation Agreement are less advantageous to SeaChange than the Cooperation Agreement executed with Viex Capital in 2017, while providing Karen Singer and TAR Holdings LLC greater Board representation than the Viex Cooperation Agreement.
- The proposed Cooperation Agreement provides Karen Singer and TAR Holdings LLC a percentage of Board seats that is greater than their ownership percentage (15%) to the disadvantage of another longer-term shareholder. Based on my experience with other activist campaigns and personal involvement in several Cooperation Agreements, I do not support the number of Board seats being proposed to Karen Singer and TAR Holdings LLC.
- The proposed Cooperation Agreement expands the SeaChange Board resulting in incremental cost to SeaChange. SeaChange has experienced numerous restructurings and cost reductions over the past two years to stay in business. Increasing Board fees is not a good use of company resources given the size of the current Board compared to its peers.

-
- The proposed Cooperation Agreement does not provide any plan from Karen Singer and TAR Holdings LLC for increasing shareholder value and is designed to protect the current SeaChange Board from disparagement, while positioning Karen Singer and TAR Holdings LLC to gain additional control of the Board and Company in 2020.

As I have expressed at numerous Board meetings and individual discussions with SeaChange directors and advisors, I am deeply concerned about the lack of a plan to increase shareholder value from Karen Singer and TAR Holdings LLC. Further, based several of Karen Singer's and TAR Holdings LLC's other activist campaigns, they have not demonstrated a consistent record of increasing shareholder value, and in some cases, have benefited financially to the detriment of other shareholders.

As I depart SeaChange, I am leaving the company in much better shape than the company I assumed responsibility for in 2016. Today, SeaChange is very well positioned for revenue growth, profitability and positive cash flow because of the numerous restructuring that we have completed over the past two years, the acquisitions of DCC Labs in 2017 and Xstream A/S in 2019, and the strengthened management team led by Yossi Aloni and Marek Kielczewski.

With the assistance of a lawyer with SEC reporting experience, I have prepared this resignation letter without disclosing any material non-public information to allow this letter to be filed with the Company's Form 8-K. Please ensure that my resignation letter is included as an Exhibit to the Company's Form 8-K, so all shareholders are aware of the concerns that I have related to Board composition and the proposed Cooperation Agreement with Karen Singer and TAR Holdings LLC.

Best Regards,

Mr. Terino’s resignation follows ongoing discussions with certain of the Company’s shareholders with respect to Board composition.
