PROXY STATEMENT
 FOR THE ANNUAL MEETING OF STOCKHOLDERS
 To Be Held On July 12, 2006

May 24, 2006

Proxies in the form enclosed with this proxy statement are solicited by the Board of Directors (the "Board") of SeaChange International, Inc. for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Wednesday, July 12, 2006, at 10:00 A.M. Eastern Time, at SeaChange's offices, located at 50 Nagog Park, Acton, Massachusetts 01720. This proxy statement and the accompanying proxy were first mailed to stockholders on or about May 30, 2006.

Only stockholders of record as of the close of business on May 22, 2006 (the "Record Date"), will be entitled to vote at the Annual Meeting and any adjournments thereof.

All properly completed proxy forms returned in time to be cast at the Annual Meeting will be voted. With respect to the election of the Class I Director, any stockholder submitting a proxy has a right to withhold authority to

vote for the nominee by indicating this in the space provided on the proxy. The stockholders will also consider and vote upon proposals put forth by the Board to approve SeaChange's Third Amended and Restated 1996 Employee Stock Purchase Plan and to ratify the selection of SeaChange's independent registered public accounting firm. Where a choice has been specified on the proxy card with respect to each proposal, the shares represented by the proxy will be voted in accordance with your specifications. If no specification is indicated on the proxy card, the shares represented by the proxy will be voted **FOR** the one nominee for election to the Board of Directors to serve as a Class I Director. **FOR** the proposal to approve SeaChange's Third Amended and Restated 1996 Employee Stock Purchase Plan, and **FOR** the proposal to approve the ratification of the selection of SeaChange's independent registered public accounting firm. Stockholders may vote in one of the following three ways: (1) by completing, signing and dating the enclosed proxy card and returning it in the enclosed postage paid envelope by return mail, (2) by completing a proxy using the toll-free telephone number listed on the proxy card, or (3) by completing a proxy on the Internet at the address listed on the proxy card. Any proxy may be revoked by a stockholder at any time before its exercise by either delivering written revocation or a later dated proxy to the Secretary of SeaChange, entering a new vote by Internet or telephone, or attending the Annual Meeting of Stockholders and voting in person.

A majority in interest of the outstanding shares represented at the Annual Meeting in person or by proxy shall constitute a quorum for the transaction of business. Votes withheld from any nominee, abstentions and broker "non-votes" are counted as present or represented for purposes of determining the presence or absence of a quorum for the meeting. A "non-vote" occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner. Directors are elected by a plurality of the votes cast by stockholders entitled to vote at the meeting. On all other matters being submitted to stockholders, an affirmative vote of at least a majority of the shares present, in person or represented by proxy, and voting on that matter is required for approval or ratification. An automated system administered by SeaChange's transfer agent tabulates the votes. The vote on each matter submitted to stockholders is tabulated separately. Abstentions, as well as broker "non-votes" are not considered to have been voted for such matters and have the practical effect of reducing the number of affirmative votes required to achieve a majority for such matters by reducing the total number of shares from which the majority is calculated.

The Board of Directors knows of no other matter to be presented at the Annual Meeting. If any other matter should be presented at the Annual Meeting upon which a vote properly may be taken, shares represented by all proxies received by the Board of Directors will be voted with respect thereto in accordance with the judgment of the persons named as proxies and in accordance with the Securities and Exchange Commission's ("SEC's") proxy rules. The persons named as proxies, William C. Styslinger, III and Kevin M. Bisson, were selected by the Board of Directors and are officers of SeaChange. See "Stockholder Proposals" herein at page 6.

PROPOSAL NO. I

ELECTION OF DIRECTOR

SeaChange's Board of Directors currently consists of five members, four of whom are independent, non-employee directors. The Board of Directors is divided into three classes. CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

DETERMINATION OF DIRECTOR INDEPENDENCE

The Board of Directors has determined that Messrs. Hoffmann, Olson, and Vona and Ms. Cotton are "independent" directors, meeting all applicable independence requirements promulgated by the SEC, including Rule 10A-3(b)(1) pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and by the National Association of Securities Dealers, Inc. ("NASD"). In making this determination, the Board of Directors affirmatively determined that none of such directors has a relationship that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

STOCKHOLDER PROPOSALS

Proposals of stockholders intended to be presented at the 2007 Annual Meeting of Stockholders must be received no later than the close of business on January 29, 2007 at SeaChange's principal executive offices in order to be included in the SeaChange proxy statement for that meeting. Any such stockholder proposals should be submitted to SeaChange International, Inc., 50 Nagog Park, Acton, Massachusetts, 01720, Attention: Secretary. Under the By-Laws of SeaChange, stockholders who wish to make a proposal at the 2007 Annual Meeting - other than one that will be included in SeaChange's proxy materials - must notify SeaChange no earlier than December 30, 2006, and no later than January 29, 2007. If a stockholder who wishes to present a proposal fails to notify SeaChange by January 29, 2007, the stockholder would not be entitled to present the proposal at the meeting. If, however, notwithstanding the requirements of the By-Laws of SeaChange, the proposal is brought before the meeting, then under the SEC's proxy rules the proxies solicited by management with respect to the 2007 Annual Meeting will confer discretionary voting authority with respect to the stockholder's proposal on the persons selected by management to vote the proxies. If a stockholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC's proxy rules.

In order to curtail controversy as to the date on which a proposal will be marked as received by SeaChange, it is suggested that stockholders submit their proposals by Certified Mail—Return Receipt Requested.

AVAILABILITY OF CORPORATE GOVERNANCE DOCUMENTS

SeaChange's Code of Ethics and Business Conduct ("Ethics Policy") for all directors and all employees of SeaChange, including executive officers, and the charters for SeaChange's Board of Directors standing committees (Audit, Compensation and Option, Corporate Governance and Nominating) are available on SeaChange's website at www.schange.com under the "Corporate Governance" section of the "Investor Relations" link.

BOARD MEETINGS

The Board of Directors of SeaChange met sixteen times and acted by written consent one time during the fiscal year ended January 31, 2006. During the fiscal year ended January 31, 2006, each director attended at least 75% of the total number of meetings of the Board of Directors and meetings of all the committees of the Board on which they serve. SeaChange has a policy that its Board of Directors attend SeaChange's Annual Meeting of Stockholders. Last year, all of the directors attended the Annual Meeting of Stockholders that was held on July 13, 2005.

BOARD COMMITTEES

The Board has three standing committees: an Audit Committee, a Compensation and Option Committee, and a Corporate Governance and Nominating Committee. The members of each committee are appointed by the Board based on the recommendation of the Corporate Governance and Nominating Committee, and are set forth below in this proxy statement. Actions taken by any committee of the Board are reported to the Board, usually at the next Board meeting following a committee meeting. Each standing committee is governed by a committee-specific charter that is reviewed periodically by the applicable committee pursuant to the rules set forth in each charter. The Board annually conducts a self-evaluation of each of its committees. All members of all committees are independent directors.

6

Audit Committee

The Audit Committee members are Messrs. Hoffmann, Olson and Vona and Ms. Cotton (Chair), each of whom meet the independence requirements promulgated by the SEC and the NASD, as described above. In addition, SeaChange's Board has determined that each member of the Audit Committee is financially literate and that Ms. Cotton satisfies the requirement of the NASD applicable to Nasdaq-listed companies that at least one member of the Audit Committee possess financial sophistication and that Ms. Cotton is an "audit committee financial expert" as defined in the rules and regulations promulgated under the Exchange Act. The Audit Committee's oversight responsibilities include matters relating to SeaChange's financial disclosure and reporting process, including the system of internal controls, the performance of SeaChange's internal audit function, compliance with legal and regulatory requirements, and the appointment and activities of SeaChange's independent auditors. The Audit Committee met five times during fiscal year 2006. The responsibilities of the Audit Committee and its activities during fiscal year 2006 are more fully described in the Audit Committee Report contained in this proxy statement.

Compensation and Option Committee

The Compensation and Option Committee members are Messrs. Hoffmann, Olson (Chair) and Vona, each of whom meet the independence requirements promulgated by the SEC and the NASD, as described above. Among other things, the Compensation and Option Committee determines the compensation, including stock options, restricted stock units and other equity compensation, of SeaChange's management and key employees, and administers and makes recommendations concerning SeaChange's equity compensation plans. The Compensation and Option Committee met three times and acted by unanimous written consent eleven times during fiscal year 2006. The responsibilities of the Compensation Committee and its activities during fiscal year 2006 are more fully described in the Compensation and Option Committee Report contained in this proxy statement.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee members are Messrs. Hoffmann (Chair), Olson and Vona, each of whom meet the independence requirements promulgated by the SEC and the NASD, as described above. The Corporate Governance and Nominating Committee is responsible for oversight of corporate governance at SeaChange, recommending to the Board of Directors persons to be nominated for election or appointment as directors of SeaChange and monitoring compliance with SeaChange's Ethics Policy. The Corporate Governance and Nominating Committee identifies Board candidates through numerous sources, including recommendations from existing Board members, executive officers, and stockholders of SeaChange. Additionally, the Corporate Governance and Nominating Committee may identify candidates through engagements with executive search firms. The Corporate Governance and Nominating Committee met one time during fiscal year 2006.

Qualifications of Director Candidates

In evaluating the suitability of individuals for Board membership, the Corporate Governance and Nominating Committee takes into account many factors, including whether the individual meets the requirements for independence, his or her professional expertise and educational background, and other factors that promote diversity of views and experience. The Corporate Governance and Nominating Committee evaluates each individual in the context of the entire Board, with the objective of recommending nominees who can best further the success of SeaChange's business and represent stockholder interests. As part of the review in fiscal year 2006 by the Corporate Governance and Nominating Committee of SeaChange's corporate governance documents, these criteria were reviewed. No changes to these criteria were recommended as a result of such review.

Procedures for Stockholders to Recommend Director Candidates

Stockholders wishing to suggest candidates to the Corporate Governance and Nominating Committee for consideration as potential director nominees may do so by submitting the candidate's name, experience, and other relevant information to the SeaChange Corporate Governance and Nominating Committee, 50 Nagog Park, Acton, Massachusetts 01720. SeaChange stockholders wishing to nominate directors may do so by submitting a written notice to the Secretary of SeaChange at the same address in accordance with the nomination procedures set forth

7

in SeaChange's By-Laws. The procedures are summarized in this proxy statement under the heading "Stockholder Proposals." The Secretary will provide the notice to the Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee does not distinguish between nominees recommended by stockholders and other nominees. All nominees must meet, at a minimum, the qualifications described in "Qualifications of Director Candidates" above. The Committee did not receive any stockholder nominee recommendations for this annual meeting.

Process for Stockholders to Communicate with Directors

Stockholders may write to the Board or a particular Board member by addressing such communication to the Board or Board member, as applicable, care of SeaChange's Chief Financial Officer, at SeaChange's offices at 50 Nagog Park, Acton Massachusetts 01720. Unless such communication is addressed to an individual director, SeaChange will forward any such communication to each of the directors.

COMPENSATION OF DIRECTORS

During the fiscal year ended January 31, 2006, directors who were employees of SeaChange received no cash compensation for their services as directors, except for reimbursement of expenses incurred in connection with attending meetings. In fiscal year 2006, SeaChange paid directors who are not employees of SeaChange a fee of \$4,000 per quarter and a fee of \$1,000 for each meeting of the Board of Directors that they attended in person or by phone and such directors were reimbursed for their reasonable out-of-pocket expenses incurred in attending such meetings. The Chairperson of the Audit Committee of the Board of Directors is also entitled to receive a cash payment of \$2,000 per quarter for a total payment of \$8,000 per annum.

Each non-employee director is also eligible to participate in SeaChange's 2005 Equity Compensation and Incentive Plan. In accordance with Financial Accounting Standards Board's new expense recognition standard, beginning in SeaChange's 2007 fiscal year, SeaChange is required to record in its statement of operations equity-based compensation expense for stock compensation awards, including stock options, based on the fair value of the equity instrument at the time of grant. The Compensation and Option Committee of the Board has been monitoring the new rules and regulations relating to stock option expensing as well as external market changes in equity compensation practices. Additionally, the Compensation and Option Committee evaluated the benefits and effectiveness of stock options against various other forms of equity compensation, including restricted stock units and restricted stock. As a result of this evaluation and the changing regulations, in December 2005, the Compensation and Option Committee of the Board adopted a new compensation policy for non-employee directors whereby each non-employee director is entitled to receive an annual grant of 10,000 restricted stock units in lieu of a quarterly option grant to purchase 2,500 shares of SeaChange's common stock. Accordingly, in the fiscal year ended January 31, 2006, each of Messrs. Hoffmann, Olson and Vona and Ms. Cotton received 10,000 restricted stock units on December 8, 2005.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee currently consists of Ms. Cotton and Messrs. Hoffmann, Olson and Vona.

The Audit Committee's primary duties and responsibilities are to:

- Appoint, compensate and retain SeaChange's independent registered public accounting firm, and oversee the work performed by the independent registered public accounting firm.
- Assist the Board of Directors in fulfilling its responsibilities by reviewing the financial reports provided by SeaChange to the SEC and SeaChange's stockholders.
- Monitor the integrity of SeaChange's financial reporting process and systems of internal controls regarding finance, accounting, and legal compliance.
- Recommend, establish and monitor procedures designed to improve the quality and reliability of the disclosure of SeaChange's financial condition and results of operations.

- Provide an avenue of communication among the independent registered public accounting firm, management and the Board of Directors.

The Board of Directors has adopted a written charter setting out the functions the Audit Committee is to perform. A copy of this may be found on SeaChange's website at www.schange.com under the "Corporate Governance" section of the "Investor Relations" link.

Management has primary responsibility for SeaChange's consolidated financial statements and the overall reporting process, including SeaChange's system of internal controls.

The independent registered public accounting firm audits the annual consolidated financial statements prepared by management, expresses an opinion as to whether those consolidated financial statements fairly present, in all material respects, the financial position, results of operations and cash flows of SeaChange in conformity with accounting principles generally accepted in the United States of America, provides an attestation report on management's assessment of SeaChange's internal control over financial reporting in SeaChange's annual report on Form 10-K and discusses with the Audit Committee any issues the independent registered public accounting firm believes should be raised with SeaChange.

For fiscal year 2006, the Audit Committee reviewed the audited consolidated financial statements of SeaChange and met with both management and PricewaterhouseCoopers LLP, SeaChange's independent registered public accounting firm, to discuss those consolidated financial statements. Management has represented to the Audit Committee that the consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America and that there were no material deficiencies in the design or operation of internal controls which could adversely affect SeaChange's ability to record, process, summarize and report financial data and that there was no fraud, whether or not material, that involved management or other employees who have a significant role in SeaChange's internal controls.

The Committee has received from and discussed with PricewaterhouseCoopers LLP the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). These items relate to PricewaterhouseCoopers LLP's independence from SeaChange. The Committee also discussed with PricewaterhouseCoopers LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committees Communications).

9

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements of SeaChange be included in its Annual Report on Form 10-K for the fiscal year ended January 31, 2006. The Audit Committee also decided to retain PricewaterhouseCoopers LLP as SeaChange's independent registered public accounting firm for the 2007 fiscal year.

RESPECTFULLY SUBMITTED BY THE AUDIT
COMMITTEE OF THE BOARD OF DIRECTORS

Mary Palermo Cotton (Chairman)
Thomas F. Olson
Martin R. Hoffmann
Carmine Vona

- (2) Excludes the shares to be issued for the period ended May 31, 2006 under the Second Amended and Restated 1996 Employee Stock Purchase Plan, as amended, because the number of shares to be issued upon exercise of currently outstanding options thereunder cannot be determined, as it will be determined on May 31, 2006, the last day of the payment period, and will be for a maximum of 1,125 shares per eligible participant.

CHANGE IN CONTROL AGREEMENTS

SeaChange has also entered into Change-In-Control Severance Agreements with certain of its executive officers which are designed to provide an incentive to each executive to remain with SeaChange leading up to and following a Change in Control. For purposes of the agreements, "Change in Control" means (i) the members of the Board of Directors of SeaChange at the beginning of any consecutive 24-calendar month period ("Incumbent Directors") cease for any reason other than death to constitute at least a majority of the Board, provided that any director whose election, or nomination for election, was approved by at least a majority of the members of the Board then still in office who were members of the Board at the beginning of the 24-calendar month period shall be deemed to be an Incumbent Director; (ii) any consolidation or merger whereby the stockholders of SeaChange immediately prior to the consolidation or merger do not, immediately after the consolidation or merger, beneficially own shares representing 50% or more of the combined voting power of the securities of the corporation (or its ultimate parent corporation) issuing cash or securities in the consolidation or merger; (iii) any sale or other transfer of all or substantially all of the assets of SeaChange to another entity, other than an entity of which at least 50% of the combined voting power is owned by stockholders in substantially the same proportion as their ownership of SeaChange prior to the transaction, or (iv) any approval by the stockholders of SeaChange of a plan for liquidation or dissolution of SeaChange.

Upon a Change in Control, all of the executive's unvested stock options and stock appreciation rights automatically vest and become immediately exercisable and all of the executive's restricted stock and restricted stock rights automatically vest and become immediately transferable free of restrictions. In the event of a subsequent termination of the executive's employment for any reason, all of the executive's stock options become exercisable for the lesser of (i) the remaining applicable term of the particular stock option or (ii) three years from the date of termination. If within one year following a Change in Control the executive's employment is terminated (i) by SeaChange other than for specified cause, death or disability, or (ii) by the executive for specified good reason, the executive shall be entitled to the following: (a) two times the executive's annual base salary plus one times the executive's bonus for the preceding year; (b) for a period of two years, continued health, life and disability benefits; (c) outplacement services for up to one year following termination; (d) up to \$5,000 of financial planning services; and (e) accrued vacation pay. If all or any portion of the benefits and payments provided to the executive would constitute an excess parachute payment within the meaning of Section 280G of the Internal Revenue Code resulting in the imposition on the executive of an excise tax, the payments and benefits will be "grossed-up" so as to place the executive in the same after-tax position as if no excise tax had been imposed.

MANAGEMENT TRANSITION AGREEMENT

On January 30, 2006, SeaChange entered into a Management Transition Agreement with Mr. Fiedler, in connection with the transition by SeaChange to a new Chief Financial Officer. Pursuant to the terms of the agreement, Mr. Fiedler will remain an employee of SeaChange through January 31, 2008, receive his current basic salary as of the date of the agreement through April 30, 2006, receive a basic salary of \$17,975 per month from May 1, 2006 through January 31, 2008, and continue to vest in his stock options throughout the term of the agreement. During the term of the agreement, Mr. Fiedler has agreed to make himself available as reasonably requested by SeaChange to provide services and duties as SeaChange reasonably requests, including, without limitation, providing training, advice and assistance to SeaChange and its new Chief Financial Officer in the transition to the position of Chief Financial Officer of SeaChange. A copy of this agreement was filed as Exhibit 10.2 to SeaChange's Current Report on Form 8-K that was filed with the SEC on February 1, 2006.

COMPENSATION AND OPTION COMMITTEE REPORT

To SeaChange Stockholders:

SeaChange's executive compensation program is administered by the Compensation and Option Committee of the Board of Directors, which is comprised entirely of independent non-employee directors. Pursuant to authority delegated by the Board of Directors, the Compensation and Option Committee is responsible for reviewing and administering SeaChange's stock ownership plans and reviewing and approving compensation for the executive officers of SeaChange.

SeaChange's current executive compensation program is designed to provide levels of compensation that assist SeaChange in attracting, motivating and retaining qualified executive officers and aligning the financial interests of the executive officers and other employees of SeaChange with those of its stockholders by providing a competitive compensation package based on corporate and individual performance. Compensation under the executive compensation program is comprised of cash compensation in the form of base salary, bonus and long-term incentive awards in the form of stock options and restricted stock units. The compensation program is also comprised of various benefits, including medical and insurance plans, and the Second Amended and Restated 1996 Employee Stock Purchase Plan, as amended, and 401(k) profit sharing plan, which plans are generally available to all employees.

of SeaChange.

Base Salary

Base salary compensation levels for each of the executive officers of SeaChange, including the Chief Executive Officer, are generally set within the range of base salaries that the Compensation and Option Committee believes are paid to executive officers with comparable qualifications, experience and responsibilities at comparable companies. In setting compensation levels, the Compensation and Option Committee generally takes into account such factors as:

- SeaChange's past operating and financial performance and future expectations;
- individual performance and experience; and
- past salary levels.

The Compensation and Option Committee does not assign relative weights or rankings to these factors, but instead makes determinations based upon the consideration of all of these factors as well as the progress made with respect to the long-term goals and strategies of SeaChange.

Incentive Compensation

For fiscal year 2006, SeaChange awarded bonuses (including the sales commissions paid to each of Mr. Goldfarb and Ms. Kanouff) in the aggregate amount of \$518,491 to its executive officers. These bonus payments were made in recognition of the executive officers' contributions to fiscal year 2006 performance of SeaChange and were determined in connection with an evaluation of the overall compensation, including sales commissions in the case of Mr. Goldfarb and Ms. Kanouff, paid by SeaChange to the recipient.

Equity Compensation

Stock options and restricted stock units have been the principal vehicles used by SeaChange to provide long-term incentive-based compensation to improve its operating and financial performance and to support the recruitment, motivation and retention of key professional and managerial personnel. SeaChange's equity compensation plans are administered by the Compensation and Option Committee. The Compensation and Option Committee has not granted stock options or other equity compensation at less than fair market value, other than the fifteen percent (15%) purchase price discount provided for in the terms of SeaChange's employee stock purchase plan.

Stock options and restricted stock units have been granted from time to time to eligible employees based upon SeaChange's overall financial performance and their contribution thereto. Stock options and restricted stock units are designed to align the interests of SeaChange's executive officers and other employees with those of its stockholders by encouraging them to enhance the value of SeaChange, the price of the common stock and, hence, the stockholders' return. In addition, the vesting of stock options and restricted stock units over a period of time is

17

designed to defer the receipt of compensation by the option holder, thus creating an incentive for the individual to remain with SeaChange. SeaChange periodically grants new options and restricted stock units to provide continuing incentives for future performance.

During the fiscal year ended January 31, 2006, no options were granted to the executive officers of SeaChange. During the fiscal year ended January 31, 2006, an aggregate of 28,000 restricted stock units were granted to the executive officers of SeaChange. On February 9, 2006, an additional grant of 44,000 restricted stock units was made to executive officers of SeaChange, including a grant of 20,000 restricted stock units to SeaChange's Chief Executive Officer. These grants were made in recognition of the executive officers' contributions to SeaChange's fiscal year 2006 operations and performance and as an incentive for future performance.

The Compensation and Option Committee intends to grant equity ownership opportunities, including stock options, restricted stock units, restricted stock and other equity compensation, in an amount not greater than two percent (2.0%) per fiscal year, subject to reasonable adjustments as may be necessary to account for unusual corporate events such as acquisitions and hires of executive officers that may occur.

Other Benefits

SeaChange also has various broad-based employee benefit plans. Executive officers participate in these plans on the same terms as eligible, non-executive employees, subject to any legal limits on the amounts that may be contributed or paid to executive officers under these plans. SeaChange offers a stock purchase plan, under which employees may purchase common stock at a discount, and a 401(k) profit sharing plan, which permits employees to invest in a choice of mutual funds on a pre-tax basis. SeaChange also maintains medical, disability and life insurance plans and other benefit plans for its employees.

Tax Deductibility of Executive Compensation

In general, under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), SeaChange cannot deduct, for federal income tax purposes, compensation in excess of \$1,000,000 paid to certain executive officers. This deduction limitation does not apply, however, to compensation that constitutes "qualified performance-based compensation" within the meaning of Section 162(m) of the Code and the regulations promulgated thereunder. The Compensation and Option Committee has considered the limitations on deductions imposed by Section 162(m) of the Code, and will continue to consider such deduction limitations of Section 162(m) of the Code when structuring its executive compensation arrangements.

STOCK PERFORMANCE GRAPH

The following graph compares the change in the cumulative total stockholder return on SeaChange's common stock during the period from the close of trading on January 31, 2001 through January 31, 2006, with the cumulative total return on the Center for Research in Securities Prices ("CRSP") Index for the Nasdaq Stock Market (U.S. Companies) and a SIC Code Index based on the SeaChange's SIC Code. The comparison assumes \$100 was invested on January 31, 2001 in SeaChange's common stock at the \$26.453 closing price on that date and in each of the foregoing indices and assumes reinvestment of dividends, if any.

The following graph is not "soliciting material," is not deemed filed with the SEC and is not to be incorporated by reference in any filing of SeaChange under the Securities Act or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing. The stock price performance shown on the following graph is not necessarily indicative of future price performance. PROPOSAL NO. II

APPROVAL OF THE THIRD AMENDED AND RESTATED 1996 EMPLOYEE STOCK PURCHASE PLAN

At the Annual Meeting, SeaChange's stockholders will be asked to approve an amended and restated version of SeaChange's Second Amended and Restated 1996 Employee Stock Purchase Plan (as amended, the "Plan") which incorporates the following changes:

- extending the term of the plan for an additional ten years, to December 31, 2016;
- increasing the aggregate number of shares of common stock authorized for issuance under the Plan by five hundred thousand (500,000) shares, to one million six hundred thousand (1,600,000); and
- amending the price at which common stock is purchased under the Plan to provide that the purchase price is rounded up to the nearest whole cent, rather than being rounded up to avoid fractions of a dollar other than $\frac{1}{4}$, $\frac{1}{2}$ and $\frac{3}{4}$.

The Board of Directors on May 19, 2006 approved these amendments as part of the approval of the adoption of the Third Amended and Restated 1996 Employee Stock Purchase Plan, a copy of which is attached hereto as [Appendix A](#).

The Board of Directors unanimously recommends a vote "FOR" the approval of the proposed amended and restated version of the Plan.

PURPOSE OF THE PLAN AND REASONS FOR AMENDMENT

The Plan is intended to provide an incentive to, and to encourage stock ownership by, all eligible employees of SeaChange and its participating subsidiaries so that they may share in the growth of SeaChange by acquiring or increasing their ownership interest in SeaChange. Currently, it is estimated that 670 SeaChange employees are eligible to participate in the Plan. The Plan is designed to encourage eligible employees to remain in the employ of SeaChange and its participating subsidiaries.

Unless amended, the Plan will expire by its terms on December 31, 2006, meaning that SeaChange will no longer be able to offer to eligible persons the ability to participate in the Plan. As amended, the term of the plan will be extended until December 31, 2016.

In addition to extending the term of the Plan, the amended Plan increases the number of shares of common stock authorized for issuance thereunder. As of May 22, 2006, there remained 112,901 shares of common stock available for issuance under the Plan. Accordingly, the amended Plan provides for the issuance of an additional 500,000 shares under the Plan.

The amended Plan also amends the price at which common stock is purchased, to provide that the purchase price is rounded up to the nearest whole cent, rather than being rounded up to avoid fractions of a dollar other than $\frac{1}{4}$, $\frac{1}{2}$ and $\frac{3}{4}$.

SeaChange believes that these changes will enable SeaChange to continue to use the Plan as an effective part of the overall compensation offered by SeaChange to its employees.

SUMMARY OF THE PLAN

Shares Subject to Plan

As amended, the Plan would authorize the issuance of up to an aggregate of 1,600,000 shares of common stock, subject to adjustment for changes in SeaChange's capital stock, pursuant to the exercise of non-transferable options granted to participating employees. The common stock subject to the options under the Plan includes shares of authorized but unissued common stock and shares of common stock reacquired by SeaChange, including shares purchased in the open market.

20

Option holders are generally protected against dilution in the event of certain capital changes such as a recapitalization, stock split, merger, consolidation, reorganization, combination, liquidation, stock dividend or similar transaction. If a stock purchase option granted under the Plan expires or terminates for any reason without having been exercised in whole or in part, the unpurchased shares subject thereto may again be available under the Plan.

Eligibility

Employees of SeaChange or any of its participating subsidiaries whose customary employment is more than 20 hours per week are eligible to participate in the Plan. An employee may not be granted an option under the Plan if, after the granting of the option, such employee would be treated as owning 5% or more of the total combined voting power or value of all classes of stock of SeaChange or its subsidiaries. Directors who are not employees of SeaChange may not participate in the Plan.

Administration

As permitted by the terms of the Plan, the Plan is administered by the Compensation and Option Committee of the Board of Directors. The Compensation and Option Committee, subject to the provisions of the Plan, has the power to construe the Plan, to determine all questions thereunder, and to adopt and amend such rules and regulations for administration of the Plan as it may deem appropriate.

Payment Periods; Payment for Shares of Common Stock

An employee electing to participate in the Plan must authorize, with respect to a given payment period, an amount (a whole percentage not less than 1% nor more than 10% of the employee's cash compensation, including base pay or salary and any overtime, bonuses or commissions) to be deducted by SeaChange from the employee's pay and applied toward the purchase of common stock under the Plan. Payment periods shall consist of six month periods commencing on June 1 and December 1 and ending on November 30 and May 31, respectively.

On the first business day of each payment period, SeaChange will grant to each Plan participant an option to purchase shares of the common stock of SeaChange. On the last day of the payment period, the employee will be deemed to have exercised this option, at the option price, to the extent of such employee's accumulated payroll deductions, on the condition that the employee remains eligible to participate in the Plan throughout such payment period. In no event, however, may the employee exercise an option granted under the Plan for more than 1,125 shares during a payment period. If the amount of the accumulated payroll deductions exceeds the aggregate purchase

price of 1,125 shares, the excess deductions will be promptly refunded to the employee without interest. Furthermore, no employee may be granted an option which permits the employee's right to purchase shares of common stock under the Plan and all other Section 423(b) plans of SeaChange and any subsidiary corporations, to accrue at a rate which exceeds \$25,000 of fair market value of such stock (determined on the respective date(s) of grant) for each calendar year in which the option is outstanding. Any excess accumulation of payroll deductions will be promptly refunded to the employee without interest. As described above, the amended Plan would provide for the option price in an amount equal to the lesser of 85% of the average market price of the common stock on the first business day of the payment and the last business day of the payment period, with such discounted price rounded up to the nearest whole cent.

Authorization for Entering the Plan

As SeaChange's common stock is quoted on the Nasdaq National Market, for purposes of the Plan, the term "average market price" on any date means the last reported sale price (on that date) of the common stock on the Nasdaq National Market.

An employee may enter the Plan by delivering to SeaChange, at least 10 days before the beginning date of the next succeeding payment period, an authorization:

- stating the initial percentage to be deducted regularly from the employee's pay;
- authorizing the purchase of shares of common stock for the employee in each payment period in accordance with the terms of the Plan; and

21

-
- specifying the exact name or names in which stock purchased for the employee is to be issued.

Unless an employee files a new authorization or withdraws from the Plan, the deductions and purchases under the authorization the employee has on file under the Plan will continue from the initial payment period to succeeding payment periods as long as the Plan is in effect. Deductions may not be increased or decreased during a payment period.

Transferability

An employee's rights under the Plan are the employee's alone and may not be transferred to, assigned to, or availed of by, any other person. Any option granted to an employee may be exercised, during the employee's lifetime, only by the employee.

Withdrawal from Plan

An employee may withdraw from the Plan, in whole but not in part, at any time prior to the last business day of each payment period by delivering a withdrawal notice to SeaChange, in which event SeaChange will refund the entire balance of the employee's deductions not previously used to purchase stock under the Plan without interest.

Amendments and Termination

The Board of Directors may from time to time adopt amendments to the Plan, provided that, without the approval of SeaChange's stockholders, no amendment may increase the number of shares that may be issued under the Plan or change the class of employees eligible to receive options under the Plan if such action would be treated as the adoption of a new plan for purposes of Section 423(b) of the Code. The Plan may be terminated at any time by the Board of Directors, provided that such termination will not affect options then outstanding under the Plan. If at any time shares of common stock reserved for issuance under the Plan remain available for purchase, but not in sufficient number to satisfy all then unfilled purchase requirements, the available shares will be apportioned among participants in proportion to the amount of payroll deductions accumulated on behalf of each participant that would otherwise be used to purchase stock, and the Plan will terminate. Upon termination of the Plan, all payroll deductions not used to purchase common stock will be refunded to Plan participants without interest.

Termination of Employee's Rights

If an employee is not a participant in the Plan on the last day of the payment period, the employee generally is not entitled to exercise his or her option. An employee's rights under the Plan generally terminate upon his or her voluntary withdrawal from the Plan at any time, or when he or she ceases employment because of retirement, voluntary or involuntary termination, resignation, layoff, discharge, death, or for any other reason. An employee's employment shall be treated as continuing intact when such employee is on military leave, sick leave or other bona fide leave of absence, for up to 90 days or for so long as the employee's right to re-employment is guaranteed either by statute or by contract, if longer than 90 days.

Application of Funds and Government Regulations

The proceeds received by SeaChange from the sale of common stock pursuant to the Plan will be used for general corporate purposes. SeaChange's obligation to deliver shares of common stock is subject to the approval of any governmental authority required in connection with the sale or issuance of such shares.

Termination Date

As amended, the Plan will expire on December 31, 2016, unless terminated earlier by the Board of Directors.

22

FEDERAL INCOME TAX CONSEQUENCES

The following summarizes certain United States federal income tax considerations for employees participating in the Plan and certain tax effects to SeaChange. The summary, however, does not address every situation that may result in taxation. For example, it does not discuss foreign, state, or local taxes, or any of the tax implications arising from a participant's death. The summary is not intended as a substitute for careful tax planning, and each employee is urged to consult with and rely on his or her own advisors with respect to the possible tax consequences (federal, state and local) of exercising his or her rights under the Plan.

1. The amounts deducted from an employee's pay under the Plan will be included in the employee's compensation subject to federal income tax. Subject to certain requirements, generally no additional income will be recognized by the employee either at the time options are granted pursuant to the Plan or at the time the employee purchases shares pursuant to the Plan.
2. If the employee disposes of shares purchased pursuant to the Plan more than two years after the first business day of the payment period in which the employee acquired the shares, then upon such disposition the employee will recognize ordinary income in an amount equal to the lesser of:
 - (a) the excess, if any, of the fair market value of the shares at the time of disposition over the amount the employee paid for the shares, or
 - (b) the excess of the fair market value of the shares on the first business day of the payment period over the option price.

In addition, the employee generally will recognize capital gain or loss in an amount equal to the difference between the amount realized upon the sale of shares and the employee's tax basis in the shares (generally the amount the employee paid for the shares plus the amount, if any, taxed as ordinary income). If the employee's holding period for the shares exceeds one year, such gain or loss will be long-term capital gain or loss.

3. If the employee disposes of shares purchased pursuant to the Plan within two years after the first business day of the payment period in which the employee acquired the shares, then upon disposition the employee will recognize ordinary income in an amount equal to the excess, if any, of the fair market value of the shares on the last business day of the applicable payment period over the amount the employee paid for the shares.

In addition, the employee generally will recognize capital gain or loss in an amount equal to the difference between the amount realized upon the sale of the shares and the employee's tax basis in the shares (generally the amount the employee paid for the shares plus the amount, if any, taxed to the employee as ordinary income). If the employee's holding period for the shares is more than one year, such gain or loss will be long-term capital gain or loss.

4. If the employee disposes of shares purchased pursuant to the Plan more than two years after the first business day of the payment period, SeaChange will not be entitled to any federal income tax deduction with respect to the options granted or the shares issued upon their exercise. If the employee disposes of shares purchased pursuant to the Plan prior to the expiration of the two-year holding period, SeaChange generally will be entitled to a federal income tax deduction in an amount equal to the amount which is treated as ordinary income to the employee as a result of the disposition.

PROPOSAL NO. III

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected the firm of PricewaterhouseCoopers LLP, independent accountants, to serve as the registered public accounting firm for the fiscal year ending January 31, 2007. PricewaterhouseCoopers LLP has audited and reported upon the financial statements of SeaChange for the fiscal year ended January 31, 2006 and has served as SeaChange's independent registered public accounting firm since 1993.

A representative of PricewaterhouseCoopers LLP is expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

The Board of Directors has put the ratification of the selection of PricewaterhouseCoopers LLP before the stockholders because the Board believes that seeking stockholder ratification of the selection of the independent registered public accounting firm is good corporate practice. If the appointment of PricewaterhouseCoopers LLP is not ratified, the Audit Committee will first review the basis for the stockholder vote and SeaChange's relationship with PricewaterhouseCoopers LLP and will then take such action as it deems necessary.

The Board of Directors unanimously recommends a vote "FOR" ratification of the appointment of SeaChange's independent registered public accounting firm.

The Audit Committee of the Board of Directors has determined that the provision of the services as set out above is compatible with maintaining PricewaterhouseCoopers LLP's independence.

Audit Committee Pre-Approval Policy

The Audit Committee's policy is to pre-approve all audit, audit-related, tax and other non-audit services that may be provided by PricewaterhouseCoopers LLP, the independent registered public accounting firm. The policy identifies the principles that must be considered by the Audit Committee in approving these services to ensure that PricewaterhouseCoopers LLP's independence is not impaired; describes the audit and audit-related, tax and other services that may be provided; and sets forth pre-approval requirements for all permitted services. To date, Audit Committee pre-approval has been sought for the provision of all services by PricewaterhouseCoopers LLP.

OTHER MATTERS

EXPENSES AND SOLICITATION

All costs of solicitation of proxies will be borne by SeaChange. In addition to solicitations by mail, certain of SeaChange's directors, officers and regular employees, without additional remuneration, may solicit proxies by telephone, facsimile, e-mail and personal interviews. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting material to the owners of stock held in their names, and SeaChange will reimburse them for their reasonable out-of-pocket costs.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, requires SeaChange's directors, executive officers and holders of more than 10% of SeaChange's common stock (collectively, "Reporting Persons") to file with the SEC initial reports of ownership and reports of changes in ownership of common stock of SeaChange. Such persons are required by regulations of the SEC to furnish SeaChange with copies of all such filings. Based on its review of the copies of such filings received by it with respect to the fiscal year ended January 31, 2006 and written representations from certain Reporting Persons, SeaChange believes that all Reporting Persons complied with all Section 16(a) filing requirements in the fiscal year ended January 31, 2006.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

SeaChange has adopted a policy that all transactions between SeaChange and its officers, directors, principal stockholders and affiliates will be approved by a majority of the Board of Directors, including a majority of the independent and disinterested outside directors on the Board of Directors, and will be on terms no less favorable to SeaChange than could be obtained from unaffiliated third parties.

On September 23, 2005, SeaChange entered into an Agreement for the Sale and Purchase of Share Capital of ODG (the "Share Purchase Agreement") by and among SeaChange, Anthony William Kelly, Andrew Thomas Birchall, Judith Kelly and Michael Kelly (collectively, the "ODG Stockholders") providing for the purchase by SeaChange of the remaining 72.4% of the outstanding capital stock of On Demand Group Limited, a corporation incorporated under the laws of the United Kingdom ("ODG"), not then owned by SeaChange. Prior to that date, SeaChange had previously purchased a 27.6% interest in ODG for an aggregate of \$3,100,000. At the closing of the

25

Share Purchase Agreement, SeaChange paid the ODG Stockholders approximately \$13,400,000 in cash, with Mr. Birchall receiving \$6,700,000 and Mr. Kelly and his immediate family receiving \$6,700,000. The Share Purchase Agreement also provides for additional payments to be made to the ODG Stockholders based on their prior holdings of ODG capital stock both if ODG meets certain annual performance goals through the period ending January 31, 2008 and if ODG sells its interest in Filmflex. On May 10, 2006, SeaChange paid to the ODG Stockholders an aggregate of \$2,800,000 in cash pursuant to the terms of the Share Purchase Agreement and based on the performance of ODG through January 31, 2006, with Mr. Birchall receiving \$1,400,000 and Mr. Kelly and his immediate family receiving \$1,400,000.

Appendix A

SEACHANGE INTERNATIONAL, INC.
~~SECOND~~THIRD AMENDED AND RESTATED
1996 EMPLOYEE STOCK PURCHASE PLAN ~~AS AMENDED~~¹

Article 1 - Purpose.

This ~~Second~~Third Amended and Restated 1996 Employee Stock Purchase Plan (the "Plan") is intended to encourage stock ownership by all eligible employees of SeaChange International, Inc. (the "Company"), a Delaware corporation, and its participating subsidiaries (as defined in Article 17) so that they may share in the growth of the Company by acquiring or increasing their proprietary interest in the Company. The Plan is designed to encourage eligible employees to remain in the employ of the Company and its participating subsidiaries. The Plan is intended to constitute an "employee stock purchase plan" within the meaning of Section 423(b) of the Internal Revenue

Article 2 - Administration of the Plan

The Plan may be administered by a committee appointed by the Board of Directors of the Company (the "Committee"). The Committee shall consist of not less than two members of the Company's Board of Directors. The Board of Directors may from time to time remove members from, or add members to, the Committee. Vacancies on the Committee, howsoever caused, shall be filled by the Board of Directors. The Committee may select one of its members as Chairman, and shall hold meetings at such times and places as it may determine. Acts by a majority of the Committee, or acts reduced to or approved in writing by a majority of the members of the Committee, shall be the valid acts of the Committee.

The interpretation and construction by the Committee of any provisions of the Plan or of any option granted under it shall be final, unless otherwise determined by the Board of Directors. The Committee may from time to time adopt such rules and regulations for carrying out the Plan as it may deem best, provided that any such rules and regulations shall be applied on a uniform basis to all employees under the Plan. No member of the Board of Directors or the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any option granted under it.

In the event the Board of Directors fails to appoint or refrains from appointing a Committee, the Board of Directors shall have all power and authority to administer the Plan. In such event, the word "Committee" wherever used herein shall be deemed to mean the Board of Directors.

Article 3 - Eligible Employees.

All employees of the Company or any of its participating subsidiaries whose customary employment is more than 20 hours per week shall be eligible to receive options under the Plan to purchase Common Stock (as defined herein), and all eligible employees shall have the same rights and privileges hereunder. Persons who are eligible employees on the first business day of any Payment Period (as defined in Article 5) shall receive their options as of such day. Persons who become eligible employees after any date on which options are granted under the Plan shall be granted options on the first day of the next succeeding Payment Period on which options are granted to eligible employees under the Plan. In no event, however, may an employee be granted an option if such employee, immediately after the option was granted, would be treated as owning stock possessing five percent or more of the total combined voting power or value of all classes of stock of the Company or of any parent corporation or subsidiary corporation, as the terms "parent corporation" and "subsidiary corporation" are defined in Section 424(e) and (f) of the Code. For purposes of determining stock ownership under this paragraph, the rules of Section 424(d) of the Code shall apply, and stock which the employee may purchase under outstanding options shall be treated as stock owned by the employee.

¹ The marked changes show the amendments to the Second Amended and Restated 1996 Employee Stock Purchase Plan, as amended, approved by the Board of Directors on May 19, 2006 and for which stockholder approval is being sought.

Article 4 - Stock Subject to the Plan

The stock subject to the options under the Plan shall be shares of the Company's authorized but unissued Common Stock, par value \$.01 per share (the "Common Stock"), or shares of Common Stock reacquired by the Company, including shares purchased in the open market. The aggregate number of shares which may be issued pursuant to the Plan is ~~4,400,000~~ **1,600,000**, subject to adjustment as provided in Article 12. If any option granted under the Plan shall expire or terminate for any reason without having been exercised in full or shall cease for any reason to be exercisable in whole or in part, the unpurchased shares subject thereto shall again be available under the Plan.

Article 5 - Payment Period and Stock Options

~~Prior to May 1, 2000, Payment Periods shall consist of the six-month periods commencing on May 1 and November 1 and ending on October 31 and April 30. The Payment Period commencing May 1, 2000 shall extend for the seven-month period from May 1, 2000 to November 30, 2000. Thereafter and for the remainder of the duration of the Plan, Payment Periods shall consist of the six-month periods commencing on June 1 and December 1 and ending on November 30 and May 31, respectively.~~

Twice each year, on the first business day of each Payment Period, the Company will grant to each eligible employee who is then a participant in the Plan an option to purchase on the last business day of such Payment Period, at the Option Price hereinafter provided for, a maximum of 1125 shares, on condition that such employee remains eligible to participate in the Plan throughout the remainder of such Payment Period. The participant shall be entitled to exercise the option so granted only to the extent of the participant's accumulated payroll deductions on the last business day of such Payment Period. If the participant's accumulated payroll deductions on the last business day of the Payment Period would enable the participant to purchase more than 1125 shares except for the 1125-share limitation, the excess of the amount of the accumulated payroll deductions over the aggregate purchase price of the 1125 shares shall be promptly refunded to the participant by the Company, without interest. The Option Price per share for each Payment Period shall be the lesser of (i) 85% of the average market price of the Common Stock on the first business day of the Payment Period and (ii) 85% of the average market price of the Common Stock on the last business day of the Payment Period, in either event rounded ~~up to avoid fractions of a dollar other than 1/4, 1/2 and 3/4~~ **up to the nearest whole cent**. The foregoing limitation on the number of shares subject to options and the Option Price shall be subject to adjustment as provided in Article 12.

For purposes of the Plan, the term "average market price" on any date means (i) the average (on that date) of the high and low prices of the Common Stock on the principal national securities exchange on which the Common Stock is traded, if the Common Stock is then traded on a national securities exchange; or (ii) the last reported sale price (on that date) of the Common Stock on the Nasdaq National Market, if the Common Stock is not then traded on a national securities exchange; or (iii) the average of the closing bid and asked prices last quoted (on that date) by an established quotation service for over-the-counter securities, if the Common Stock is not then traded on a national securities exchange or reported on the Nasdaq National Market; or (iv) if the Common Stock is not publicly traded, the fair market value of the Common Stock as determined by the Committee after taking into consideration all factors which it deems appropriate, including, without limitation, recent sale and offer prices of the Common Stock in private transactions negotiated at arm's length.

For purposes of the Plan, the term "business day" means a day on which there is trading on the Nasdaq National Market or the aforementioned national securities exchange, whichever is applicable pursuant to the preceding paragraph; and if neither is applicable, a day that is not a Saturday, Sunday or legal holiday in the Commonwealth of Massachusetts.

No employee shall be granted an option which permits the employee's right to purchase stock under the Plan, and under all other Section 423(b) employee stock purchase plans of the Company and any parent or subsidiary corporations, to accrue at a rate which exceeds \$25,000 of fair market value of such stock (determined on the date or dates that options on such stock were granted) for each calendar year in which such option is outstanding at any time. The purpose of the limitation in the preceding sentence is to comply with Section 423(b)(8) of the Code. If the participant's accumulated payroll deductions on the last business day of the Payment Period would otherwise

enable the participant to purchase Common Stock in excess of the Section 423(b)(8) limitation described in this paragraph, the excess of the amount of the accumulated payroll deductions over the aggregate purchase price of the shares actually purchased shall be promptly refunded to the participant by the Company, without interest.

Article 6 - Exercise of Option.

Each eligible employee who continues to be a participant in the Plan on the last business day of a Payment Period shall be deemed to have exercised his or her option on such date and shall be deemed to have purchased from the Company such number of full shares of Common Stock reserved for the purpose of the Plan as the participant's accumulated payroll deductions on such date will pay for at the Option Price, subject to the 1125-share limit of the option and the Section 423(b)(8) limitation described in Article 5. If the individual is not a participant on the last business day of a Payment Period, he or she shall not be entitled to exercise his or her option. Only full shares of Common Stock may be purchased under the Plan. Unused payroll deductions remaining in a participant's account at the end of a Payment Period by reason of the inability to purchase a fractional share shall be carried forward to the next Payment Period.

Article 7 - Authorization for Entering the Plan

An employee may elect to enter the Plan by filling out, signing and delivering to the Company an authorization:

- A. Stating the percentage to be deducted regularly from the employee's pay;
- B. Authorizing the purchase of stock for the employee in each Payment Period in accordance with the terms of the Plan; and
- C. Specifying the exact name or names in which stock purchased for the employee is to be issued as provided under Article 11 hereof.

Such authorization must be received by the Company at least ten days before the first day of the next succeeding Payment Period and shall take effect only if the employee is an eligible employee on the first business day of such Payment Period.

Unless a participant files a new authorization or withdraws from the Plan, the deductions and purchases under the authorization the participant has on file under the Plan will continue from one Payment Period to succeeding Payment Periods as long as the Plan remains in effect.

The Company will accumulate and hold for each participant's account the amounts deducted from his or her pay. No interest will be paid on these amounts.

Article 8 - Maximum Amount of Payroll Deductions

An employee may authorize payroll deductions in an amount (expressed as a whole percentage) not less than one percent (1%) but not more than ten percent (10%) of the employee's total compensation, including base pay or salary and any overtime, bonuses or commissions.

Article 9 - Change in Payroll Deductions

Deductions may not be increased or decreased during a Payment Period. However, a participant may withdraw in full from the Plan.

Article 10 - Withdrawal from the Plan

An employee may withdraw from the Plan (in whole but not in part) at any time prior to the last business day of a Payment Period by delivering a withdrawal notice to the Company, in which event the Company shall promptly refund the entire balance of the employee's deductions not previously used to purchase stock under the Plan.

To re-enter the Plan, an employee who has previously withdrawn must file a new authorization at least ten days before the first day of the next Payment Period in which he or she wishes to participate. The employee's re-entry into the Plan becomes effective at the beginning of such Payment Period, provided that he or she is an eligible employee on the first business day of the Payment Period.

29

Article 11 - Issuance of Stock

Certificates for stock issued to participants shall be delivered as soon as practicable after each Payment Period by the Company's transfer agent.

Stock purchased under the Plan shall be issued only in the name of the participant, or if the participant's authorization so specifies, in the name of the participant and another person of legal age as joint tenants with rights of survivorship.

Article 12 - Adjustments

Upon the happening of any of the following described events, a participant's rights under options granted under the Plan shall be adjusted as hereinafter provided:

A. In the event that the shares of Common Stock shall be subdivided or combined into a greater or smaller number of shares or if, upon a reorganization, split-up, liquidation, recapitalization or the like of the Company, the shares of Common Stock shall be exchanged for other securities of the Company, each participant shall be entitled, subject to the conditions herein stated, to purchase such number of shares of Common Stock or amount of other securities of the Company as were exchangeable for the number of shares of Common Stock that such participant would have been entitled to purchase except for such action, and appropriate adjustments shall be made in the purchase price per share to reflect such subdivision, combination or exchange; and

B. In the event the Company shall issue any of its shares as a stock dividend upon or with respect to the shares of stock of the class which shall at the time be subject to option hereunder, each participant upon exercising such an option shall be entitled to receive (for the purchase price paid upon such exercise) the shares as to which the participant is exercising his or her option and, in addition thereto (at no additional cost), such number of shares of the class or classes in which such stock dividend or dividends were declared or paid, and such amount of cash in lieu of fractional shares, as is equal to the number of shares thereof and the amount of cash in lieu of fractional shares, respectively, which the participant would have received if the participant had been the holder of the shares as to which the participant is exercising his or her option at all times between the date of the granting of such option and the date of its exercise.

Upon the happening of any of the foregoing events, the class and aggregate number of shares set forth in Article 4 hereof which are subject to options which have been or may be granted under the Plan and the limitations set forth in the second paragraph of Article 5 shall also be appropriately adjusted to reflect the events specified in paragraphs A and B above. Notwithstanding the foregoing, any adjustments made pursuant to paragraphs A or B shall be made only after the Committee, based on advice of counsel for the Company, determines whether such adjustments would constitute a "modification" (as that term is defined in Section 424 of the Code). If the Committee determines that such adjustments would constitute a modification, it may refrain from making such adjustments.

If the Company is to be consolidated with or acquired by another entity (x) in a merger, consolidation or other reorganization in which the holders of the outstanding voting stock of the Company immediately preceding the consummation of such event shall, immediately following such event, hold, as a group, less than a majority of the voting securities of the surviving or resulting entity, (y) a sale of all or substantially all of the Company's assets or (z) otherwise (an "Acquisition"), the Committee or the board of directors of any entity assuming the obligations of the Company hereunder (the "Successor Board") shall, with respect to options then outstanding under the Plan, either (i) make appropriate provision for the continuation of such options by arranging for the substitution on an equitable basis for the shares then subject to such options either (a) the consideration payable with respect to the outstanding shares of the Common Stock in connection with the Acquisition, (b) shares of stock of the surviving or successor corporation, or a parent or subsidiary of such corporation, or (c) such other securities as the Successor Board deems appropriate, the fair market value of which shall not materially exceed the fair market value of the shares of Common Stock subject to such options immediately preceding the Acquisition; or (ii) terminate each participant's options in exchange for a cash payment equal to the excess of (a) the fair market value on the date of the Acquisition, of the number of shares of Common Stock that the participant's accumulated payroll deductions as of the date of the Acquisition could purchase, at an option price determined with reference only to the first business

30

day of the applicable Payment Period and subject to the 1125-share, Code Section 423(b)(8) and fractional-share limitations on the amount of stock a participant would be entitled to purchase, over (b) the result of multiplying such number of shares by such option price.

The Committee or Successor Board shall determine the adjustments to be made under this Article 12, and its determination shall be conclusive.

Article 13 - No Transfer or Assignment of Employee's Rights

An option granted under the Plan may not be transferred or assigned and may be exercised only by the participant.

Article 14 - Termination of Employee's Rights

Whenever a participant ceases to be an eligible employee because of retirement, voluntary or involuntary termination, resignation, layoff, discharge, death or for any other reason, his or her rights under the Plan shall immediately terminate, and the Company shall promptly refund, without interest, the entire balance of his or her payroll deduction account under the Plan. Notwithstanding the foregoing, eligible employment shall be treated as continuing intact while a participant is on military leave, sick leave or other bona fide leave of absence, for up to 90 days, or for so long as the participant's right to re-employment is guaranteed either by statute or by contract, if longer than 90 days.

Article 15 - Termination and Amendments to Plan

Unless terminated sooner as provided below, the Plan shall terminate on December 31, 2006~~2016~~. The Plan may be terminated at any time by the Company's Board of Directors but such termination shall not affect options then outstanding under the Plan. It will terminate in any case when all or substantially all of the unissued shares of stock reserved for the purposes of the Plan have been purchased. If at any time shares of stock reserved for the purpose of the Plan remain available for purchase but not in sufficient number to satisfy all then unfilled purchase requirements, the available shares shall be apportioned among participants in proportion to the amount of payroll deductions accumulated on behalf of each participant that would otherwise be used to purchase stock, and the Plan shall terminate. Upon such termination or any other termination of the Plan, all payroll deductions not used to purchase stock will be refunded, without interest.

The Committee or the Board of Directors may from time to time adopt amendments to the Plan provided that, without the approval of the stockholders of the Company, no amendment may (i) increase the number of shares that may be issued under the Plan, or (ii) change the class of employees eligible to receive options under the Plan, if such action would be treated as the adoption of a new plan for purposes of Section 423(b) of the Code.

Article 16 - Limits on Sale of Stock Purchased under the Plan

The Plan is intended to provide shares of Common Stock for investment and not for resale. The Company does not, however, intend to restrict or influence any employee in the conduct of his or her own affairs. An employee may, therefore, sell stock purchased under the Plan at any time the employee chooses, subject to compliance with any applicable federal or state securities laws and subject to any restrictions imposed under Article 21 to ensure that tax withholding obligations are satisfied. **THE EMPLOYEE ASSUMES THE RISK OF ANY MARKET FLUCTUATIONS IN THE PRICE OF THE COMMON STOCK.**

Article 17 - Participating Subsidiaries

The term "participating subsidiary" shall mean any present or future subsidiary of the Company, as that term is defined in Section 424(f) of the Code, which is designated from time to time by the Board of Directors to participate in the Plan. The Board of Directors shall have the power to make such designation before or after the Plan is approved by the stockholders.

Article 18 - Optionees Not Stockholders

Neither the granting of an option to an employee nor the deductions from his or her pay shall constitute such employee a stockholder of the shares covered by an option until such shares have been actually purchased by the employee.

Article 19 - Application of Funds

The proceeds received by the Company from the sale of Common Stock pursuant to options granted under the Plan will be used for general corporate purposes.

Article 20 - Notice to Company of Disqualifying Disposition

By electing to participate in the Plan, each participant agrees to notify the Company in writing immediately after the participant transfers Common Stock acquired under the Plan, if such transfer occurs within two years after the first business day of the Payment Period in which such Common Stock was acquired. Each participant further agrees to provide any information about such a transfer as may be requested by the Company or any subsidiary corporation in order to assist it in complying with the tax laws. Such dispositions generally are treated as "disqualifying dispositions" under Sections 421 and 424 of the Code, which have certain tax consequences to participants and to the Company and its participating subsidiaries.

Article 21 - Withholding of Additional Income Taxes

By electing to participate in the Plan, each participant acknowledges that the Company and its participating subsidiaries are required to withhold taxes with respect to the amounts deducted from the participant's compensation and accumulated for the benefit of the participant under the Plan, and each participant agrees that the Company and its participating subsidiaries may deduct additional amounts from the participant's compensation, when amounts are added to the participant's account, used to purchase Common Stock or refunded, in order to satisfy such withholding obligations. Each participant further acknowledges that when Common Stock is purchased under the Plan the Company and its participating subsidiaries may be required to withhold taxes with respect to all or a portion of the difference between the fair market value of the Common Stock purchased and its purchase price, and each participant agrees that such taxes may be withheld from compensation otherwise payable to such participant. It is intended that tax withholding will be accomplished in such a manner that the full amount of payroll deductions elected by the participant under Article 7 will be used to purchase Common Stock. However, if amounts sufficient to satisfy applicable tax withholding obligations have not been withheld from compensation otherwise payable to any participant, then, notwithstanding any other provision of the Plan, the Company may withhold such taxes from the participant's accumulated payroll deductions and apply the net amount to the purchase of Common Stock, unless the participant pays to the Company, prior to the exercise date, an amount sufficient to satisfy such withholding obligations. Each participant further acknowledges that the Company and its participating subsidiaries may be required to withhold taxes in connection with the disposition of stock acquired under the Plan and agrees that the Company or any participating subsidiary may take whatever action it considers appropriate to satisfy such withholding requirements, including deducting from compensation otherwise payable to such participant an amount sufficient to satisfy such withholding requirements or conditioning any disposition of Common Stock by the participant upon the payment to the Company or such subsidiary of an amount sufficient to satisfy such withholding requirements.

Article 22 - Governmental Regulations

The Company's obligation to sell and deliver shares of Common Stock under the Plan is subject to the approval of any governmental authority required in connection with the authorization, issuance or sale of such shares.

Government regulations may impose reporting or other obligations on the Company with respect to the Plan. For example, the Company may be required to identify shares of Common Stock issued under the Plan on its stock ownership records and send tax information statements to employees and former employees who transfer title to such shares.

Article 23 - Governing Law

The validity and construction of the Plan shall be governed by the laws of the State of Delaware, without giving effect to the principles of conflicts of law thereof.

Article 24 - Approval of Board of Directors and Stockholders of the Company

The 1996 Employee Stock Purchase Plan was adopted by the Board of Directors on September 6, 1996 and was approved by the stockholders of the Company on October 25, 1996. The 1996 Employee Stock Purchase Plan was amended and restated on May 29, 1997 to constitute the Amended and Restated 1996 Employee Stock Purchase Plan. The Amended and Restated 1996 Employee Stock Purchase Plan was amended and restated on April 14, 2000 to constitute the Second Amended and Restated 1996 Employee Stock Purchase Plan. The Second Amended and Restated 1996 Employee Stock Purchase Plan was further amended on July 12, 2002, July 16, 2003 and May 19, 2006. **The Third Amended and Restated 1996 Employee Stock Purchase Plan was adopted by the Board of Directors on May 19, 2006 and was approved by the stockholders of the Company on July 12, 2006 to constitute the Plan.**
