Roumell Asset Management is organized as a Maryland limited liability company. Its principal address, and address of its principal business, is 2 Wisconsin Circle, Suite 660, Chevy Chase, Maryland 20815. Roumell Asset Management is a registered investment adviser.

Mr. Roumell's business address is 2 Wisconsin Circle, Suite 660, Chevy Chase, Maryland 20815. Mr. Roumell's present principal occupation is acting as the President of Roumell Asset Management, a registered investment adviser, whose address is set forth above.

During the last five years, none of the Reporting Persons have been a party to any civil proceeding of a judicial or administrative body of competent jurisdiction which resulted in or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violations with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

Roumell Asset Management is a registered investment adviser under the Investment Advisers Act of 1940. Roumell Asset Management directs client accounts as to which it has discretionary authority to purchase, for the clients' benefit and in the clients' names (or in street name) and share authority with clients to make dispositions, 1,175,850 shares of common stock of the Issuer. The aggregate purchase price was \$10,300,785, inclusive of brokerage commissions. The sources of funding for these purchases were individual client funds.

Roumell Asset Management is the sole investment advisor to the Roumell Opportunistic Value Fund (the "Fund"), an investment company registered under the Investment Company Act of 1940. As investment advisor to the Fund, Roumell Asset Management caused the Fund to purchase 626,260 shares of common stock of the Issuer. The aggregate purchase price was \$5,285,829, inclusive of brokerage commissions. The sources of funding for these purchases were proceeds from the sale of Fund shares.

Mr. Roumell does not directly own any shares of common stock of the Issuer.

Item 4. Purpose of Transaction.

The Reporting Persons acquired shares of the common stock of the Issuer as part of their ordinary course of business for investment purposes, based on their belief that the Issuer's stock is undervalued and represents an attractive investment opportunity. As of September 28, 2014, the Reporting Persons decided to attempt to discuss increasing purchases under the Issuer's previously-announced stock buyback program directly with the Issuer's management and board of directors. Accordingly, the Reporting Persons sent a letter, dated September 29, 2014, to the Issuer's board of directors. A copy of this letter was filed with the original Schedule 13D on September 29, 2014 (the "Original 13D"). As a result of subsequent actions by the Issuer, the Reporting Persons no longer believe a stock buyback program is needed. The Reporting Persons sent a letter dated January 28, 2015 to that effect, and a copy of the letter is being filed as Exhibit 7.02 to this Schedule 13D/A and is incorporated herein by this reference. The Reporting Persons may also enter into discussions with third parties and other stockholders.

The Reporting Persons, in the ordinary course of business, regularly review their equity interest in the Issuer. While the Reporting Persons have no pending orders to purchase additional securities of the Issuer, the Reporting Persons will consider purchasing additional shares at or around current trading levels. While the Reporting Persons have no present intention to dispose of all or any portion of the shares of Issuer common stock beneficially owned by them, Roumell Asset Management may be required to sell shares of the Issuer's common stock from time to time to accommodate client requests to transfer or liquidate their accounts. Any such sales of securities of the Issuer may be in the open market, privately negotiated transactions or otherwise.

Depending on their assessment of the foregoing factors, the Reporting Persons may, from time to time, modify their present intention as stated in this Item 4.

Except as set forth above, the Reporting Persons do not have at this time any specific plans which would result in (a) the acquisition by the Reporting Persons of additional securities of the Issuer or the disposition by the Reporting Persons of securities of the Issuer, other than as described above; (b) any extraordinary corporate transactions such as a merger, reorganization or liquidation involving the Issuer or any of its subsidiaries; (c) any sale or transfer of a material amount of the assets of the Issuer or of any of its subsidiaries; (d) any change in the present management or board of directors, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board of directors; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) any change in the Issuer's charter or bylaws which may impede the acquisition of control of the Issuer by any person; (h) the Issuer's common stock being delisted from a national securities exchange or ceasing to be authorized to be quoted in an inter-dealer quotation system or a registered national securities association; (i) causing a class of equity securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934; or (j) any action similar to those enumerated above.

Item 5. Interest in Securities of the Issuer.

(b) See Items 7, 8, 9 and 10 of the cover pages to this Schedule 13D/A, which Items are incorporated herein by reference, for the aggregate number of shares of common stock beneficially owned by each of the Reporting Persons as to which there is sole or shared power to vote or direct the vote and sole or shared power to dispose or to direct the disposition of such shares of common stock.

The 626,260 shares are deemed to be owned beneficially by Roumell Asset Management solely as a result of its discretionary power over such shares as investment advisor to the Fund. The 1,175,850 shares are deemed to be owned beneficially by Roumell Asset Management solely as a result of its discretionary power over such shares as investment adviser. Roumell Asset Management has no economic interest in these shares. Mr. Roumell is the President of Roumell Asset Management and holds a controlling percentage of its outstanding voting securities and, as a result of his position with and ownership of securities of Roumell

Asset Management; Mr. Roumell could be deemed the beneficial owner of the shares beneficially owned by Roumell Asset Management and the Fund.

Dear Members of the Board:

After watching the initial actions of newly appointed CEO, Jay Samit, over the past several months, and after a lengthy meeting with Mr. Samit last week, we want to applaud the board's decision to hire him. Mr. Samit's rich background in media and technology, his proven success as an industry executive, and the energy he is bringing to the company is welcomed by RAM.

Since Mr. Samit's arrival, the company has clearly identified its pure OTT software offering, RAVE, to the marketplace. We believe RAVE will build on its recent contract with BBC and secure additional important customer wins this year. SeaChange's OTT offering is differentiated given its ability to not just stream content, but to also leverage the company's video-on-demand (VOD) expertise that enables consumers to easily access content libraries by combining Adrenaline back-office software with Nitro's front-end user interface.

We are impressed with SeaChange's recent acquisition of Timeline Labs, introduced by Mr. Samit. Timeline's initiative with NewCoin augments the company's OTT offering. NewCoin, which partners with industry giants Univision, Tribune and Fox to address measurement deficiencies in the local TV advertising market, leverages Timeline's data gathering capabilities and adds additional clarity to the logic behind that purchase. Non-linear, multi-screen viewing is growing and local broadcasters need new tools to measure not just TV but the full viewing audience in order to better monetize their content. Currently, broadcasters are concerned that they are not being properly compensated for non-linear viewing, something NewCoin seeks to address in conjunction with the analytics developed at Timeline. These announcements underscore Mr. Samit's vision to exploit SeaChange's unique industry position and deep industry contacts to grow the company beyond serving traditional cable companies to now serve consumers in whichever format they choose to view content.

Important to RAM, management has assured us that the balance sheet will remain cash-rich and that the company is focused on rationalizing its R&D budget. We are supportive of the board's direction.

Sincerely,

/s/ James C. Roumell

James C. Roumell
